# *The Planning Schedule*

---

## **The Planning Schedule**

The Planning Schedule is issued every week and contains information on a range of planning matters.

The Schedule is distributed to all Councillors, Community Councils and statutory consultees. It is available on the Council's internet site – [www.stirling.gov.uk](http://www.stirling.gov.uk). Information on all planning applications submitted to the Council may also be obtained from.

## **Interested in a Planning Application?**

Every planning application is given a unique reference number. Information on all planning applications is available on line from [www.stirling.gov.uk/onlineplanning](http://www.stirling.gov.uk/onlineplanning). Simply input the reference number and you will be able to view relevant information on the planning application, including the application form and plans.

If you are enquiring about any application please contact the Officer shown in the Schedule and refer to the application reference number.

## **Advice for Community Councils:**

Community Councils will be sent this Schedule and be invited to make comment on any planning application that they consider raises issues for the wider community. These comments will then be considered to form a statutory consultation response.

Community Councils should send their comments as soon as possible as we cannot delay consideration of a planning application where a planning application is otherwise ready to be determined.

Community Councils are expected to act within the provisions on PAN47, and concern themselves only with cases that raise issues of genuine community interest. Householder applications will rarely involve issues of this kind.

## **What Are Our Procedures for Handling and Determining Planning Applications?**

We have published procedures for handling and determining planning applications. These are set out in the [Planning Toolbox](#) which aims to give an explanation of how planning applications are handled and determined in Stirling Council.

It is recommended that if you wish to make comment on a planning application that you read these procedures as they help to explain how we deal with comments on planning applications, how we determine planning applications, who determines planning applications and the procedures that we follow, including some key timescales for applicants, objectors and other interested parties.

## **Deciding Planning Applications – Understanding the Information in this Schedule**

We provide below a brief explanation of how decisions on planning applications are made. Please note that this is more fully explained in the [Planning Toolbox](#)

Planning applications submitted to Stirling Council are determined in the following ways:

Under Delegation – the application will be determined by an Appointed Officer and his decision will appear in the Schedule under Decisions of Appointed Officers – see below

By Planning and Regulation Panel – the application will be determined by the Planning Panel having considered the Planning Officer's recommendation and any other relevant representations.

By Full Council – if an application is a major development (see below) and is significantly contrary to the development plan then it will be determined by full Council. This procedure happens very infrequently

### **Delegated Decisions**

Generally applications for developments which are classified as “local developments” will be determined by planning officers (the ‘Appointed Officer’). There are certain exceptions - see Scheme of Delegation below.

These decisions appear in the Schedule as a matter of record only.

The applicant has a right of review of the Appointed Officer’s decision. The Council’s Local Review Body will consider any such review.

### **Planning Panel Recommendations**

Some planning applications are determined by Planning and Regulation Panel – see Scheme of Delegation below. The Schedule sets out the Appointed Officers recommendations for planning applications scheduled to be determined at the next Planning and Regulation Panel. It is important to note that these are recommendations and not decisions as the Panel may not follow necessarily follow the recommendation.

### **Planning Panel Decisions**

This section contains the decisions of the Planning Panel.

## **Scheme of Delegation for Determining Planning Applications**

The full version of the Scheme of Delegation can be viewed on pages of 20 and 21 on the Planning Toolbox which can be found at: [Planning Toolbox](#)

Provided below is a shortened easy read version of the Scheme of Delegation:

Almost all householder planning applications (eg. extension to a dwelling house) will be determined under delegation. Most other planning applications will be determined by planning officers except in the following circumstances:

- (a) The Council has a financial or other interest in the planning application that is contrary to the development plan and planning officers wish to approve the planning application; or
- (b) The planning application is made by a Councillor; or
- (c) A local ward Councillor has requested that the planning application be determined by Planning and Regulation Panel. The request must be made within 25 days of the planning application being registered; or
- (e) A local ward Councillor has requested that they be notified of the planning officers’ considerations. The Councillor must request a notification within 25 days of registration. The Councillor can then remit the application to Planning Panel but the request must be within 56 hours of the notification being sent; or
- (f) The application receives 5 or more competent written objections and the planning officer wishes to approve the application; or
- (g) An application where the planning officers wish to approve and the planning application is a significant departure from the Local Development Plan; or
- (h) The application requires to be notified to Scottish Ministers.

Any application that falls within exceptions (c) to (e) shall require the Councillor to provide a relevant planning reason supporting the request for the remit.

---

# *Contents*

---

The Planning Schedule contains information on a range of planning matters.

- 1 Valid Planning Applications Received
- 2 Decisions of Appointed Officers
- 3 Planning Panel Recommendations
- 4 Planning Panel Decisions
- 5 Planning Appeals & Public Inquiries
- 6 Local Review Body Decisions
- 7 Planning Enforcement
- 8 Planning Enforcement Matters
- 9 Forestry Planting and Felling Proposals
- 10 Street Naming
- 11 Other Planning Issues

The Schedule is distributed to all Members of the Council, Community Councils and statutory consultees. It is available on the Council's internet site – [www.stirling.gov.uk](http://www.stirling.gov.uk). Information on all planning applications submitted to the Council can also be obtained from [www.stirling.gov.uk/onlineplanning](http://www.stirling.gov.uk/onlineplanning) .

# Who to contact in Planning

---

If you have a query about a Planning Application or related matter you should contact the appropriate member of staff using their personal direct dial phone number. If they are not available, your call will be automatically redirected to our Planning Support staff who will be pleased to help you. If necessary they can arrange an appointment for you to see somebody who can deal with your particular query. The dialling code for Stirling is (01786)

The Planning Service has a blog where you can find the latest news about our Service and some interesting items on local planning history and new developments taking place in the Stirling area. It can be found at <https://stirlingplan.wordpress.com/>.

### **ISSUE: Inner Forth Landscape Initiative shortlisted for top national award**

The Inner Forth Landscape Initiative (IFLI) has been shortlisted for the [Scottish Awards for Quality Planning 2019](#), under the partnership category. Selection criteria included innovation, positive impacts and lessons learned.

It covered 202km<sup>2</sup> from Stirling Old Bridge to Blackness Castle and the western edge of Rosyth, including both sides of the estuary, the estuary itself, the inter-tidal zone, floodplain, coastal margins and settlements. The £4m programme ran between 2014 and 2018. Funded by the Heritage Lottery Fund, it delivered over 50 community focussed projects to conserve, enhance and celebrate the natural, built and cultural heritage of the unique landscapes of the upper reaches of the Firth of Forth.

Along with Stirling Council other partners included RSPB Scotland (lead agency), Scottish Natural Heritage, Falkirk Council, Stirling Council, Clackmannanshire Council, Fife Council, Central Scotland Green Network Trust, Historic Environment Scotland, and Sustrans. Other organisations contributed knowledge, expertise and links to local communities.

Scottish Planning Policy says that '*The planning system has a vital role to play in delivering high-quality places for Scotland.*' IFLI aimed to deliver this, working together as a Partnership, bringing local people and communities together, and acting as a catalyst to bring in investment and resources to help protect and enrich the area's unique natural, historic and cultural heritage.

A final decision will be made by Scottish Ministers. The Awards ceremony will take place in Edinburgh on 20 November 2019.

In addition to the five awards decided by Ministers, there is a public vote for the [People's Choice](#) category later this year, which will include all of the final 35 shortlisted projects, with a closing date of 30 September 2019.

As a legacy of the partnership, Inner Forth Futures (IFF) is now continuing to work towards its aims. Further information can be found on the IFF website:- <http://www.innerforthlandscape.co.uk/>
